

techwire

GET INSIDE CALIFORNIA'S \$11B STATE & LOCAL GOVERNMENT IT MARKET

Techwire Insiders get exclusive access to the people, deals, legislation and trends driving California public-sector IT.

MEMBERSHIP ADVANTAGES:

- ✓ Daily intelligence email briefings with exclusive reporting and analysis covering California public sector IT; including key CIO initiatives, personnel moves and profiles, major contracts, developing opportunities and procurements, legislation, market trends, and more.
- ✓ In-person briefings where you meet and hear from leading agency CIOs and California state and local executives on top IT initiatives and upcoming projects.
- ✓ Powerful market intelligence tools to dig deeper and uncover more opportunities.
 - An IT RFP and developing opportunities database
 - Analytics that track all spending on IT
 - A contact directory of IT decision-makers
 - A detailed breakdown of state agencies and spending
 - A view into lobbyist spending
- ✓ A dedicated team of 30+ California-focused writers, researchers and analysts located in Sacramento
- ✓ Build brand awareness by sharing your company's content resources on techwire.net — from white papers to case studies — and increase visibility among California's public- and private-sector IT community.

"... Techwire is the fastest, most consistent, easiest way to get California industry updates and points of view...(Techwire has) become a part of my daily routine."

Managing Director, Deloitte
